Are there any license agreements or patents pertaining to MLPA?

This article was retrieved from support.mrcholland.com on Monday, 12th May 2025.

MLPA® is a patented technology and depending on your country of use some licence agreements exist. For more information please visit MRC Holland's [terms and conditions of use](#).

Patent applications have been filed by MRC Holland in various countries on certain aspects of the MLPA technique. We do not expect licensing problems for users of MLPA for research purposes. For more information regarding commercial applications of MLPA, please [contact us](#).
