How many different workshops does MRC Holland offer?

This article was retrieved from support.mrcholland.com on Sunday, 28th November 2021.

MRC Holland currently offers an in-person workshop about MLPA, and one virtual MLPA workshop. The [in-person MLPA workshop](#) takes a full day, in which users are taught how to troubleshoot common problems and how to analyse MLPA data using our free analysis software, [Coffalyser.Net](#). Our [virtual MLPA workshop](#) takes 4 hours and covers MLPA raw data evaluating and troubleshooting.

You can read more about our workshops in [this article](#). Other educational resources related to MLPA, including videos and e-learning modules, can be found via [this article](#).

We do not currently offer workshops about digitalMLPA or Melt Assays.
