Video: How does MLPA work?

This article was retrieved from MRC Holland Support (support.mrcholland.com) on Wednesday, 16th July 2025.

Note

This video is about conventional MLPA. For an introductory video about digitalMLPA, see [this article](#).

SALSA® MLPA® is the gold standard for DNA copy number quantification and is used to study both hereditary disorders and tumours. This animation explains how the MLPA technique works.

Please note that subtitles are available in several languages.

In case you're unable to view the video on YouTube you can also watch it [here](#). Customers in China can also access the video at [Youku](#).
