What products are available?

This article was retrieved from support.mrcholland.com on Sunday, 11th May 2025.

MRC Holland offers a wide variety of products that cover a large number of genes and genetic disorders. To find out if MRC Holland carries a product for the disorder or gene you are interested in, please visit mrcholland.com and type the gene name/symbol or disorder into the search box on the top right hand side of the webpage, visit our [assay finder](#), or download our [full price list](#).

If we do not have a product for your application then we recommend that you contact us first to discuss the possibilities. You can read more about this in [this article](#).
