Workshops and Webinars

This article was retrieved from support.mrcholland.com on Saturday, 21st May 2022.

MRC Holland offers in-person one-day MLPA workshops, "MLPA - expert in a day", and virtual half-day MLPA workshops. We also host one-hour webinars that focus on specific MRC Holland technologies. All planned workshops and webinars can be found on our [events page](#).

In-person workshops: "MLPA - expert in a day"

In this one-day workshop, you will learn to recognise and troubleshoot common MLPA problems and become proficient in performing data analysis with Coffalyser.Net.

Learn more [here](#).

Virtual MLPA workshops

Join our interactive virtual workshops to learn more about conventional MLPA and how to evaluate and analyse your data. Learn more [here](#).

Webinars

Join one of our webinars to learn about the available technologies from MRC Holland or highlighted applications. Webinars are free for all participants. Learn more [here](#).
